SOCIÉTÉ JERSIAISE

2026 SOCIÉTÉ BULLETIN - CALL FOR INTEREST WORKSHOPS

Context:

Established in 1873, the Société's mission is to facilitate research on the Island's history, culture, language and environment; and to share that knowledge with the widest possible audience for the benefit of our Island community.

The Société holds extensive bibliographic, cartographic, photographic and research collections which act as our long-term memory. These collections provide a vital resource informing contemporary study and value for the community through a greater understanding of our shared heritage, identity and environment**.**

Workshops:

As part of the 2026 Société Bulletin Call for Interest, the Editorial Board will be holding writing workshops that focus on everything from ***Proposal to Publication*** to ensure the highest quality and standards for this year's Bulletin.
