

# Marine Biology

Coming up

**Marine Biology Section Member's meeting will not take place this month, instead we will be hosting a discovery event in the members room. See next page for details.**

## **Low tide discovery sessions**

**Next session will take place on the 21<sup>st</sup> March. Keep an eye on facebook and emails for the time and location which will be decided nearer the time.**

# Marine Discovery Event

The Marine Biology Section are pleased to announce we will be hosting a Marine Discovery event in the Societe Members Room at Pier Road. 5<sup>th</sup> March, 6–8pm.

This event will offer members who are less able to access the intertidal a chance to see what organisms can be found there. Members and non members welcome.

Tickets can be obtained using the following eventbrite link:
