Marine Biology

Coming up

Marine Biology Section Member's meeting
2nd April 2026
Société Jersiaise Pier Road
(Arthur Mourant Room)

Intertidal explorations

The next intertidal walk will take place on the 19th April around 1pm.
Keep an eye on facebook and emails for the time and location which will be decided nearer the time.

Marine Discovery Event

The Marine Discovery event held at Pier Road on the 5th March was well received. Thanks to Mike Sheldon and Chris Isaacs for putting it together.

Members and non members got the chance to observe some intertidal organisms up close.

Findings

Members had a great bimble at La Rocque on the 21st March, with lots of discoveries in the sunshine.
