

Marine Biology

Coming up

**Marine Biology Section Member's meeting
1st October 2026**

6pm

**Société Jersiaise Pier Road
(Arthur Mourant Room)**

Intertidal explorations

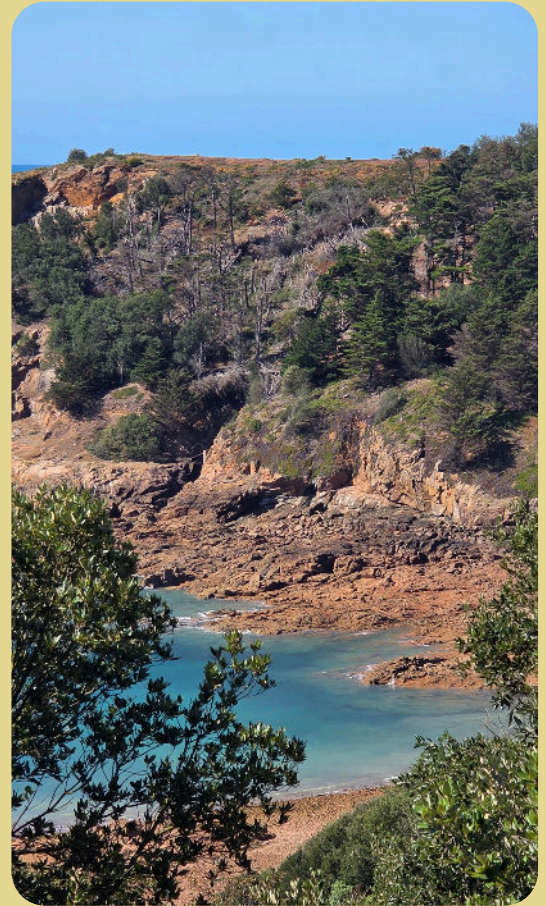

Unfortunately the October intertidal walk has been cancelled so the next one will take place on the 8th November around 10am.

Keep an eye on facebook and emails for the time and location which will be decided nearer the time.

Marine Biology section Crab survey

Members met on the 12th September to carry out the annual crab survey. The weather was great and we had a good turn out of folk wanting to get involved. The data is not yet analysed but below are some pictures from the day.

Section findings

Whilst carrying out the crab survey our willing volunteers also had time to investigate the shoreline.
